

Portal login with MFA enabled.

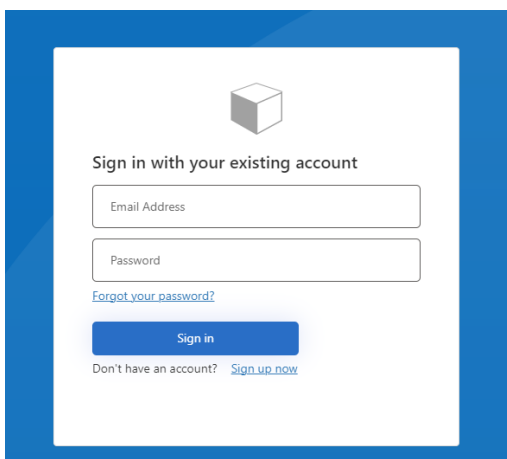

1. Open the portal and click Login or register.

2. Click 'Proceed to portal sign-in page'

3. Click Sign up now to register as a new contact.

4. Enter email address, password and click Send verification code

The screenshot shows a mobile app interface for 'User Details'. At the top left is a '< Cancel' button. Below it is a 3D cube icon. The title 'User Details' is centered. There are three input fields: the first contains 'm.reka@mailinator.com' with a red asterisk to its right; the second is labeled 'New Password' with a red asterisk; the third is labeled 'Confirm New Password' with a red asterisk. A blue button labeled 'Send verification code' is positioned between the first and second input fields. At the bottom is a light blue button labeled 'Create'.

5. Enter the verification code received via email and click Verify code

This screenshot shows the 'User Details' form with a message: 'Verification code has been sent to your inbox. Please copy it to the input box below.' Below the message are four input fields: the first contains 'm.reka@mailinator.com' with a red asterisk; the second contains '302512' with a red asterisk; the third is labeled 'New Password' with a red asterisk; and the fourth is labeled 'Confirm New Password' with a red asterisk. Two blue buttons, 'Verify code' and 'Send new code', are located between the second and third input fields. A light blue 'Create' button is at the bottom.

This screenshot shows the 'User Details' form with a message: 'E-mail address verified. You can now continue.' Below the message is an input field containing 'm.reka@mailinator.com' with a red asterisk to its right. A blue button labeled 'Change e-mail' is positioned below this field. Below that are two input fields: 'New Password' with a red asterisk and 'Confirm New Password' with a red asterisk. A blue 'Create' button is at the bottom.

6. Add a password and click Create

< Cancel
